239-308-5196

Bonita Springs, Fla. - The Florida Fish & Wildlife Conservation Commission (FWC) website reports Red Tide is not present or at background levels near Bonita Springs Beach Park therefore the Florida Department of Health in Lee County (DOH-Lee) is rescinding the Health Alert for the red tide bloom near Bonita Springs Beach Park.

Florida Poison Control Centers have a toll-free 24/7 Hotline for reporting of illnesses, including health effects from exposure to red tide at 1-800-222-1222.

Please visit the Florida Fish and Wildlife Research website for additional information on the locations where red tide has been found: myfwc.com/research/redtide/statewide/.

About the Florida Department of Health
